This extract was prepared from the information contained in the Companies Registry database as of 04/30/2026 at 02:15

Extended company profile - information about the company from additional sources

The information in the extended company profile includes information received from various state and public authorities. This information is provided as a public service and may be partial or out of date. It should not be relied upon and should be consulted with

The public or competent state authority

No additional information found for this company

The company or partnership register is a summary of information from the Corporations Authority's computerized database, provided as a service to the public, based on information received by the Authority. The information in the register may be incomplete, inaccurate, or out of date, as it is not one of the registers maintained by the Corporations Authority by law.

To clarify the information and reports submitted to the Registrar of Companies or the Registrar of Partnerships as required by law, the corporate file should be consulted (for reference: il.gov.justice.taagidim). It should be emphasized that the information contained in the company file regarding shareholders and directors of the company, as well as additional information, is of a declarative nature only and does not constitute a substitute for consulting the register of shareholders and the register of directors maintained by the company, which are open to public inspection. At its registered office.

In addition, the draft may also include a summary of information received from state authorities (such as the Commissioner for Insolvency and Financial Rehabilitation Proceedings, the Enforcement and Collection Authority, the court system, etc.) and is registered according to applicable law and reflected in the draft as a service to the public. The draft may also include additional public information received from other state authorities (such as the Patent Authority, the Bank of Israel, etc.). The information may be partial or out of date, should not be relied upon, and the information should be sought and reviewed by the public authority or the competent state authority.
