Active liens

For liens registered before 12/11/2017 - for the most up-to-date status, the description of the security should be read together with the list of changes to the lien.
For liens registered after 12/11/2017 - the description of the security reflects the most up-to-date status of the security and includes any changes subsequent to the date the security was registered. The list of changes to the lien indicates the dates the changes were updated and the type of changes made.

The company or partnership register is a summary of information from the Corporations Authority's computerized database, provided as a service to the public, based on information received by the Authority. The information in the register may be incomplete, inaccurate, or out of date, as it is not one of the registers maintained by the Corporations Authority by law.

To clarify the information and reports submitted to the Registrar of Companies or the Registrar of Partnerships as required by law, the corporate file should be consulted (for reference: il.gov.justice.taagidim). It should be emphasized that the information contained in the company file regarding shareholders and directors of the company, as well as additional information, is of a declarative nature only and does not constitute a substitute for consulting the register of shareholders and the register of directors maintained by the company, which are open to public inspection. At its registered office.

In addition, the draft may also include a summary of information received from state authorities (such as the Commissioner for Insolvency and Financial Rehabilitation Proceedings, the Enforcement and Collection Authority, the court system, etc.) and is registered according to applicable law and reflected in the draft as a service to the public. The draft may also include additional public information received from other state authorities (such as the Patent Authority, the Bank of Israel, etc.). The information may be partial or out of date, should not be relied upon, and the information should be sought and reviewed by the public authority or the competent state authority.
