other Property type: Registration Date: **05/26/2025** First-rank

Property Description:

floating lien in favor of the lender on all of the property and assets of the Borrower Company (excluding the Company's intellectual property), and all of its current rights and those that will belong to it at any time in the future or that will be acquired by it, and all profits and benefits derived therefrom, for the purpose of the full and timely payment of the full amounts guaranteed, including, and without derogating from the generality of the foregoing, its property and assets, and all rights as specified in the bond, to secure the full and timely repayment of the full amounts guaranteed in accordance with the terms of the Loan and Security Agreement dated May 8, 2025

signed between the Borrowing Company, the Borrowing Company's parent company and the Lender (the "Loan Agreement").

As additional security, a first-ranking permanent pledge and lien in favor of the Lender on the registered and unallocated share capital of the Borrower Company, and the goodwill of the Borrower Company, as they now exist and as they will exist at any time in the future. It is clarified that the said lien on the registered and unallocated share capital does not in any way prevent or otherwise restrict the Borrower from issuing any equity securities (including convertible securities), and such securities issued shall not be subject to such lien or any other lien in favor of the Lender, except if and to the extent that their issuance constitutes a change in control (as defined in the Loan Agreement) that was not approved by the Lender.

As additional security, a first-ranking lien on all rights, claims and remedies available to the Borrower to the Lender, including, without limitation, any right to exemption, relief or reduction under the Income Tax Ordinance [New Version] 5721-1961 and/or under the provisions of the Real Estate Appreciation Tax Law 5723-1963 and/or the Appreciation Tax Law and the Property Tax and Compensation Fund Law, 5721, 1961- and/or any other relevant legislation. As additional security, a first-ranking lien and lien on any security, document and instrument, bills converted or executed by others that the Borrower has delivered or may deliver to the Lender from time to time whether for collection, security or other purposes. A first-ranking permanent lien and a first-ranking lien on all rights of the Borrower derived from the insurance of the pledged property, including the rights under the Property Tax and Compensation Fund Law Compensation, 5721, 1961 - as they will be in force at any relevant time and under the provisions of any law, whether or not they were awarded in favor of the lender in accordance with the above.

And in any case, everything is as detailed and in accordance with what is stated in the attached bond.

Extended company profile - information about the company from additional sources

The information in the extended company profile includes information received from various state and public authorities. This information is provided as a public service and may be partial or out of date. It should not be relied upon and should be consulted with

The public or competent state authority

No additional information found for this company

The company or partnership register is a summary of information from the Corporations Authority's computerized database, provided as a service to the public, based on information received by the Authority. The information in the register may be incomplete, inaccurate, or out of date, as it is not one of the registers maintained by the Corporations Authority by law.

To clarify the information and reports submitted to the Registrar of Companies or the Registrar of Partnerships as required by law, the corporate file should be consulted (for reference: il.gov.justice.taagidim). It should be emphasized that the information contained in the company file regarding shareholders and directors of the company, as well as additional information, is of a declarative nature only and does not constitute a substitute for consulting the register of shareholders and the register of directors maintained by the company, which are open to public inspection. At its registered office.

In addition, the draft may also include a summary of information received from state authorities (such as the Commissioner for Insolvency and Financial Rehabilitation Proceedings, the Enforcement and Collection Authority, the court system, etc.) and is registered according to applicable law and reflected in the draft as a service to the public. The draft may also include additional public information received from other state authorities (such as the Patent Authority, the Bank of Israel, etc.). The information may be partial or out of date, should not be relied upon, and the information should be sought and reviewed by the public authority or the competent state authority.
